

Kitten Kindergarten

*This program is for healthy kittens without other behavioral concerns.
Pets with additional behavioral problems should be referred for a comprehensive Behavior Health Assessment.*

Why choose Kitten Kindergarten at Synergy?

This class is taught by our wonderful trainer Katelin, who is an Associate Certified Cat Behavior Consultant (ACCBC) and a Fear Free Certified Animal Trainer.

This unique group class will explore normal kitten behavior, socialization and training as well as preventing common problems such as, play biting, destructive scratching, fears and phobias, litter box problems, and aggressive behavior.
